

## Sketch Sheet – Lake Lot

Please show the following:

• Sketch the existing buildings and the proposed construction indicating the distances from the property lines.

| LEGAL DESCRIPTION: LOT | Block | Plan            |                |
|------------------------|-------|-----------------|----------------|
|                        |       | <u>Frontage</u> | (Not to scale) |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
|                        |       |                 |                |
